SIR

I have the honour to forward herewith the report received from the President, Municipal Council, Srinivasapur with his No. M1 C.138dated 19th April 1949 regarding the acquisition of lands for the District Board High School at Srinivasapur town and to state that the Municipal Council at their meeting held on 20th September 1945 resolved to acquire a site measuring about six acres for the construction of the High School Building and also for play gounds. As the land proposed to be granted is hiduvali land, acquisition proceedings have been instituted at the instance of the Municipality. The Municipal Council at their meeting held on 28th February 1949, agreed to meet the entire cost of acquisition amounting to Rs (1868-12-0) as estimated by the Land Acquisition Officer, Kolar. In pursuance of this resolution, the President in anticipation of sanction of Government, has placed the amount at the credit of the Land Acquisition Officer to push through the acquisition proceedings under section 17 Land Acquisition Act, as the land was urgently required by the District Board for the construction of the school building.

The acquisition charges have been met from the closing balance of the Municipal Council, as no provision was made in the current year's budget In the circumstances, I request you kindly to obtain sanction of Government to the resolution of the Council dated 28th February 1949 to pay the cost of acquisition amounting to Rs. 1868-12-0 from the closing balance of the Council and also
